INTRODUCTION

We, the Past District Governors of District 20-E2 and our Partners (in Service), have joined hands to compile this guide for your benefit, as you begin your journey toward your year as District Governor of our great district.

It is our intention to inform you of the preparation that is necessary, prior to making the commitment to seek the office of District Governor. We are confident that we have not addressed all of your questions and concerns. However, you can be assured that any Past District Governor, from District 20-E2, is available, at any time, to assist and advise you, or your spouse.

This manual is dedicated to you, and all future District Governors.

Sincerely yours in service,
The Past District Governors
20-E2
